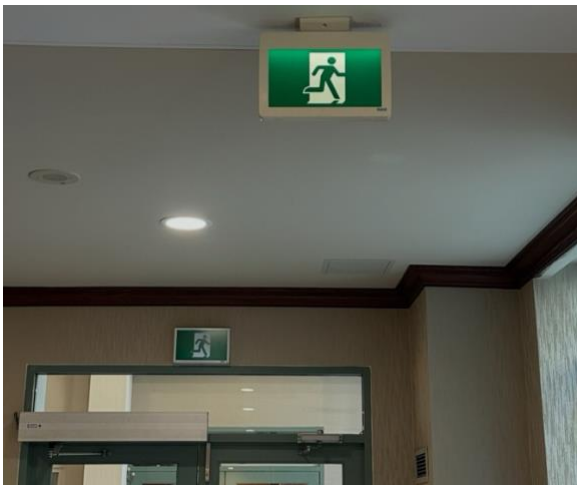

Figure 5.2: Running Man Sign Item 2

Source: Photograph taken by author.

- Additional Information: When Ascot Capital Group bought Beghelli Canada the corporate name was changed to BeLuce Canada Inc. Therefore, older products carry the Beghelli brand name while newer products carry the BeLuce brand name.
 - a. The images I have captured feature running man signs/combo running man signs from an older product line. See figures 5.1 and 5.2.
- Mircom Group of Companies also produces [similar running man signs/combo running man signs](#). Due to ISO Standards and the National Building Code of Canada, all running man signs/combo running man signs look identical across Canada, so they may easily be understood by end users without translation.
